Demographic Questions

Emerald is committed to fostering a research community that includes people with a wide range of backgrounds and abilities. Responding to the questions below helps us to know if we are achieving these aims. Your gender, ethnic, or racial identity will not be used when evaluating your submission. If you don't want to tell us about your identity, you can select "prefer not to say" for each question.

The information you provide can only be seen by you. We aggregate and anonymise your data before we analyse it, and all reports we produce are anonymous. Access to the aggregated data is limited, the reports are shared with relevant departments at Emerald, and on occasion with the wider research community, but none of the information can be used to identify you. For more details about how we store and access this data, please see our Privacy Policy.

req ScholarOne is working with the aforementioned Publisher to collect Demographic Information and will only provide reports and analyses at the aggregate level for the Publisher to improve its policies and processes. You can learn more about our privacy program and standards at the Clarivate Privacy Center. Your access to and use of our products and services is subject to the Clarivate Terms of Use. We will process your personal data in accordance with our Privacy Notice.

○ I agree to the processing of my Demographic Information as described in the Publisher's Privacy Notice and the Clarivate Privacy Notice.

○ I do not consent to the processing of my demographic information.
